\*Please note the date in December is out of sequence due to a Public Holiday

## Our Hub

**Provides a focal point for the local community affected by cancer.**

Our cancer hub is a welcoming community space, providing access to trusted information and support for people affected by any type of cancer from diagnosis, through treatment and beyond.

The Hub offers opportunities to connect with other charities, community groups, and healthcare professionals, bringing together a wide range of information, activities, and services tailored to support cancer patients and their families. It's also a space for people to come together, share experiences, exchange knowledge, and speak with others in similar situations over a comforting cup of tea.

Everyone is welcome, no referral needed so don't struggle alone. The Cancer Hub is here to provide a listening ear, friendship, and social support whenever you may need it.

## Who are we?

Cancer Active Recovery Support (C.A.R.S.) provides meaningful ways for people affected by cancer to connect with others facing similar challenges, creating a supportive and informative network. Through cancer-specific programmes, workshops, and support services, we help promote social, physical, and mental well-being.

We support individuals and their loved ones throughout the cancer journey, helping to rebuild confidence, boost self-esteem and improve quality of life.
